On behalf of all Californians, I am pleased to offer my greetings to everyone gathered for this year's training conference.

Eligibility professionals serve our communities through supportive services that promote self-sufficiency while helping employees build confidence and overcome barriers to employment.

I salute you for your efforts to acknowledge and celebrate eligibility professionals' contributions to California's workforce. Your organization promotes professional integrity and is a force of good in our state.

I offer my best wishes for a beneficial conference and every future success.

Sincerely,
